ABOUT ME

Hi! I am a front end developer. I have experience creating a SPA using React, Redux, TypeScript, HTML and CSS. I am currently focused on improving my skills with the help of new technologies and tools. My hobbies are solving puzzles on Codewars, reading books about coding and watching tutorial videos. I keep polishing my English through apps, reading articles, documentation and watching TV shows. I like to learn something new.

EXPERIENCE

Syberry Corporation

Minsk, Belarus
Jun 2022 - Nov 2022

Maximum, Automobile Holding

St. Petersburg
2017-2019
